Dear Community Leader:

I am pleased to provide you with an updated resource that will help you, local groups and residents find grants and other resources in government.

From the Department of Aging to the state Treasury to the Pennsylvania Housing Finance Authority, the Pennsylvania Grant Directory is a great starting point for constituents and organizations seeking financial support for their work and ideas. I believe this material will be a valuable tool for you.

Some state grant programs have limited eligibility in which only municipalities, school districts and nonprofit organizations can apply. Still, the directory will open doors to those who have it.

The Pennsylvania Grant Directory will evolve as new programs are created and existing funding sources change. In the meantime, if you have any questions, suggestions with any item listed in the directory, contact me at your earliest convenience. I will be happy to help.

Sincerely,

A handwritten signature in black ink that reads "Judy Schwank".

PROGRAM

DEADLINE / REGULATIONS

Many programs and services are available through the state's 52 Area Agencies on Aging (AAAs), which cover all 67 counties in the commonwealth. To locate the nearest AAA or Senior Community Center, or for more information on Pennsylvania Department of Aging programs, please visit www.aging.pa.gov. The Department also publishes an annual guidebook called "Benefits and Rights for Older Pennsylvanians," which lists sources of help and information available to older Pennsylvanians. To obtain a copy, contact your representative or senator. The publication is also available online at www.aging.pa.gov in both English and Spanish.

Adult Day Services Centers—Technically known as Older Adult Daily Living Centers (OADLCs), this community-based program provides a protective environment for adults with a functional impairment, offering those who are not capable of full-time independent living an alternative to institutionalization. The Pennsylvania Department of Aging inspects and licenses adult day service centers on an annual basis. In addition to performing annual licensure inspections, the Department's Division of Licensing provides technical assistance to licensed centers to help them provide quality service to older Pennsylvanians.

For more information or to find out if funding is available to help subsidize the cost of adult day services, please contact your local Area Agency on Aging, go online to www.aging.pa.gov or call 717-214-6716.

APPRISE—APPRISE is Pennsylvania Department of Aging's State Health Insurance Assistance Program (SHIP). APPRISE serves Medicare beneficiaries through a network of volunteers and staff at Area Agencies on Aging throughout Pennsylvania. The program helps people with Medicare understand their health insurance options in order to make sound decisions about both their physical and financial health care needs. The counselors who volunteer and staff the program are thoroughly trained in Medicare and insurance and can also answer questions about Medicaid, Medigap or Supplement Insurance, Medicare Advantage Plans, Long Term Care Insurance and Prescription Drug Benefits. Counselors also understand appeal processes and can help beneficiaries file Medicare appeals.

The toll-free APPRISE Helpline is 1-800-783-7067. All services are free and confidential.

Pennsylvania Caregiver Support Program—The Pennsylvania Caregiver Support Program helps caregivers reduce stress and burden through benefits and resource counseling. The program helps caregivers determine the needs of the care recipient and provides financial assistance as appropriate based on caregiver's income. Specific benefits available to caregivers include financial reimbursement for appropriate services and supplies, access to support groups, and caregiving skills training and education. Expenses appropriate for reimbursement may include transportation, consumable supplies, home modifications, assistive technology and additional care services so the caregiver can take a break. To be eligible, one must be the primary caregiver of an individual who falls within the following categories: an adult age 60 or over, an adult with chronic dementia, an individual between the ages of 19-59 with a disability, or a grandparent raising their grandchildren.

For more information, contact your local Area Agency on Aging or, for general questions, call the Department at 717-783-1550.

Domiciliary Care (Dom Care)—The Dom Care Program provides a home in the community for adults who need assistance with activities of daily living and are unable to live independently. A participant in the Dom Care program typically has a circumstance or a disability that make it difficult to independently accomplish activities of daily living such as preparing meals, bathing or complying with medication administration. Because the Dom Care Program relies on caring

community members to become certified and open up their existing homes, Dom Care residents become part of a stable, caring “family” and can enjoy a sense of belonging and independence.

Level of Care Assessment—The Level of Care Assessment is the first part of the process where a local Area Agency on Aging responds to a request by a consumer or family member to help them determine the most appropriate level of care. The assessment assists in determining location of care in a facility or a Home and Community-Based Service Program to address a consumer’s needs.

For more information on a local Level of Care Assessment, contact your local Area Agency on Aging. Or, for general questions, call the Department at 717-783-1550.

Modernization of Senior Community Centers—The Department of Aging offers grant opportunities for Senior Community Centers to modernize their facilities and improve their programs and services, consistent with the goals and direction within the State Plan on Aging. The objective is to help senior centers prepare for the changing demographics and make them more attractive to a younger aging population. The Department issues these funds through a competitive grant process.

Details can be obtained by online at www.aging.pa.gov or by calling 717-783-1550.

Nutrition Program—The Department of Aging provides for quality nutrition services to older Pennsylvanians through: senior community center and home-delivered meals, nutrition education and personalized assessments, assistance with applying for Supplemental Nutrition Assistance Program (SNAP), and information and online resources. Nutritious meals are available to individuals age 60 or older and their spouses at various senior community centers across the state. These meals are available either on location at the center (congregate meals) or they can be delivered directly to a home-bound individual. Meals are provided free of charge but participants may give an anonymous donation to help offset the cost of the service.

For local resources, contact your local Area Agency on Aging or go online to www.feedingpa.org/getfood.aspx. For more information on the Department’s nutrition programs, call 717-783-1550.

Older Adults Protective Services—The Department of Aging is responsible for implementing the Older Adult Protective Services Act, which protects Pennsylvanians 60 years of age and older against physical abuse, emotional abuse, financial abuse, neglect, exploitation, and abandonment. These services include processing criminal history background checks for employees and applicants of long-term care facilities, and provision of protective service programs offered in each county through the Area Agencies on Aging (AAAs). Other responsibilities include developing policies and procedures, providing technical assistance to the AAAs, conducting perpetrator appeals, providing staff trainings, and receiving reports on all types of elder abuse.

Any person who believes that an older adult is being abused, neglected, exploited or abandoned may call the 24/7 elder abuse hotline: 1-800-490-8505. For information about the department’s Older Adult Protective Services program, call 717-783-8975.

OPTIONS—The Pennsylvania Department of Aging’s OPTIONS Program provides in-home services to help Pennsylvanians who are 60 years of age and older remain in their homes and communities. A comprehensive interview is conducted by the local Area Agency on Aging (AAA) to determine each individual’s service needs. A care manager is then assigned to work with the individual to develop a plan of care as well as coordinate and

arrange for the provision of services. Services available under the OPTIONS Program include: adult day care, counseling, care management, home health, personal assistance and care services, personal emergency response systems, home-delivered meals, transportation services and more,. Depending on their income, participants may be required to pay some of the costs toward the services they receive.

PA Long-Term Care Ombudsman—The Pennsylvania Long-Term Care Ombudsman Program advocates for and empowers individuals receiving long-term care services in both community- and facility-based settings. An ombudsman visits individuals who reside in long-term care facilities to advocate for those who cannot do so on their own. The ombudsman’s mission includes providing residents with information on their rights as consumers, helping them exercise their rights, pursue remedies to their concerns, and advocating for the strict enforcement of long-term care standards.

To contact the Pennsylvania Long-Term Care Ombudsman Program for program details or to see how you can support your local Ombudsman Program, call the local Area Agencies on Aging (AAAs) or the State Office at 717-783-8975.

Pharmaceutical Assistance Contract for the Elderly (PACE)—PACE, PACENET and PACE plus Medicare are Pennsylvania’s pharmacy assistance programs for older adults, offering low-cost prescription medication to qualified residents, age 65 and older. They cover most medications that require prescriptions, including insulin, insulin syringes, and insulin needles. PACE and PACENET are administered by the Pennsylvania Department of Aging and are funded by the Pennsylvania Lottery.

For more information or to apply, call 1-866-712-2060 or visit <https://pacecares.magellanhealth.com/>.

Additional Department resources for assistance with prescriptions include:

- **Pennsylvania Patient Assistance Program Clearinghouse (PA PAP)**—The Department funds a statewide service center staffed by trained specialists, who can help uninsured and under-insured adults apply for prescription assistance through various programs. Anyone without PACE coverage or government-funded health insurance including Medicare can apply by calling 1-800-955-0989.
- **Pennsylvania Prescription Price Finder**—Anyone can access this free Department-maintained resource that lists local prices on commonly used drugs, local pharmacy listings, information on low-cost generics, and drug information materials. To access the information, simply call 1-800-835-4080 or visit www.parxpricefinder.com.

Pennsylvania Council on Aging (PCoA)—The Pennsylvania Council on Aging serves as a statewide forum, clearinghouse, guardian, and advocate for the rights and interests of the elderly in determining a comprehensive program of services for the elderly. The purpose of the council is to assure full participation of commonwealth seniors in developing a program of services for aging in accordance with the Older Americans Act. The Council is comprised of 21 members, at least 11 of whom are 60 years of age or older. Sixteen members are nominated by the Governor

and must be confirmed by the Senate. Five additional members each serve on council by virtue of their service as regional council chair. Each council member serves without compensation.

PrimeTime Health—PrimeTime Health is the Department of Aging’s health promotion and disease prevention program designed to help older Pennsylvanians remain independent. PrimeTime Health focuses on key wellness areas including exercise, nutrition, chronic conditions, injury prevention, medication management and behavioral health. A variety of free PrimeTime Health activities are available in your community.

For more information on PrimeTime Health programs, contact your local Area Agency on Aging or, for general questions, call the Department at 717-783-1550.

Senior Community Service Employment Program (SCSEP)—The SCSEP is a program that provides on-the-job training to unemployed, low-income individuals age 55 or older with the goal of transitioning them into employment. Eligible individuals who participate in the program receive a minimum hourly wage for approximately 20 hours per week. In addition to receiving valuable on-the-job experience and preparing for employment, program participants are also providing services to the community that may not otherwise be provided. SCSEP is the only federal program that is specifically designed to assist low-income older Pennsylvanians by providing part-time community service positions and training to prepare these individuals for employment.

For more information on SCSEP, call the Department at 717-783-1550

PROGRAM

DEADLINE / REGULATIONS

Community Development Block Grant (CDBG)—The Community Development Block Grant provides grants to enable communities to effectively address local community development needs in smaller cities/communities and rural areas. (Urban counties and major cities are funded directly by HUD, not through DCED.) Funds are used for community development needs such as infrastructure, housing, and community facilities (senior centers, fire halls, recreational improvements). All activities must meet one of three national objectives: benefit low and moderate-income people (below 80% of area median income), eliminate slum and blight, or address an urgent need.

Community Economic Development Loan Program (CED)—The Community Economic Development (CED) loan program provides loans for small business (100 full-time employees or less) located in designated distressed areas identified in Appendix IV to these guidelines. The purpose of the program is to assist businesses that will enhance the economic well-being of a community or neighborhood by providing products or services to communities previously unserved or underserved, or through the employment of residents of the community. Loan funds are available for eligible small business enterprises as an interest rate of 2% with flexible repayment terms that meet the needs of the business.

Educational Improvement Tax Credit Program (EITC)—The Educational Improvement Tax Credit program provides an incentive for businesses to contribute to an educational improvement organization, a scholarship organization, or a pre-kindergarten scholarship organization by providing tax credits. Tax credits may be applied against the tax liability of a business for the tax year in which the contribution was made. Businesses must be authorized to do business in the state and must be subject to business tax.

Export Finance Program (EFP)—The Export Finance Program (EFP) administered by DCED, is designed to increase the level of foreign exports and the number of exporting companies in Pennsylvania. Many creditworthy small businesses do not have access to adequate financing because they either lack a relationship with a financial institution with export finance capabilities or the size of the transaction makes it uneconomical for the private sector to participate, even when credit risks are insured. The program fills the export financing gap by lending on export contracts. EFP provides assistance for two types of export financing projects. As a Delegated Authority Lender Authority under Ex-Im Bank's Working Capital Guarantee Program, the Commonwealth of Pennsylvania is permitted to provide working capital financing for pre-export working capital needs. In addition, the program also provides accounts receivable financing for post-export assistance. This Program is not intended to supplant or be a substitute for funds otherwise available from private lending sources.

Family Savings Account (Assets for Independence) (FSA)—The program mission is to stimulate economic self-sufficiency and empowerment of individuals by helping qualified low-income participants to focus on long and short term financial skills and goals while encouraging savings and asset development. Participant Savings are matched with both state and federal funds. At the state level, federal grants must be matched by state funds. Funding is used to provide savings incentives targeting PA families at or below 200% of the federal poverty level or 80% of the area median income. The program allows a total of \$2,000 per family to be saved and matched. Approved savings plans in the past included the purchase of vehicles, home purchases, home repairs and postsecondary education. When a new program begins in the year 2013, savings goals will be limited to home purchases, business entrepreneurship and post-secondary education as per a federal ruling.

Job Creation Tax Credits (JCTC)—The Job Creation Tax Credit Program was established for the purpose of securing job-creating economic development opportunities through the expansion of existing businesses and the attraction of economic development prospects to the Commonwealth of Pennsylvania. The JCTC program is available to eligible businesses that, within three years from a negotiated start date, create 25 or more jobs or increase employment by 20%. Every new full-time job, up to a set maximum which meets certain minimum wage standards, will result in a \$1,000 tax credit that the business can use to pay a number of state business taxes. The business may claim these credits only after the jobs are created. A minimum of 25% of all tax credits available to be awarded each fiscal year will be allocated to businesses that employ 100 or fewer employees.

NAP: The program is designed to help improve distressed neighborhoods through the creation of a partnership between a nonprofit and business/corporation, for which the business can receive tax credits for eligible contributions.

NAP-Partnership Program (NAP/NPP): Long-term collaborations (five years or more) of business, government and community leaders to produce a comprehensive, asset-based and relationship-driven approach to community development.

NAP-Enterprise Zone Program (NAP/EZP): Tax credit applicable to private companies which make qualified investments to promote community economic development in impoverished areas that have been designated as state Enterprise Zones.

NAP-Special Program Priorities (NAP/SPP): Under the Neighborhood Assistance Program a project must serve distressed areas or support neighborhood conservation. Projects must fall under one of the following categories: affordable housing programs, community services, crime prevention, education, job training or neighborhood assistance

NAP-Charitable Food Program (NAP/CFP): The Charitable Food Program is designed to help regional food banks or emergency food providers. Funding to CFP is supplied through tax credits given to businesses making contributions to an approved provider. A tax credit of up to 55% can be given.

New American Development Fund—This program provides low-interest private loans to finance economic development projects within the state's federally-designated EB5 regional center that are projected to create a significant number of new, full-time, direct or indirect jobs. Funds are used to support the costs associated with new construction, the acquisition of plant, property, and equipment, building rehabilitation, and tenant improvements. Loan funds can also be used as working capital.

Research & Development Tax Credit—The Research and Development Tax Credit (R&D Tax Credit) program was established to assist the growth and development of technology-oriented businesses, particularly small start-up technology businesses. R&D tax credits have been issued by the commonwealth to offset state tax liabilities for some time, and there has been a special minimum portion of R&D tax credits reserved for small businesses. However, many small businesses in the early stages of development are not yet profitable and do not have significant tax liability. In the past, these businesses have often not bothered to apply for the available R&D tax credits for which they were eligible. With the R&D Tax Credit assignment program, technology businesses can sell unused R&D tax credits on the open market to help advance and grow the business.

Weatherization & LIHEAP Crisis—This program reduces energy consumption in low-income eligible households. The LIHEAP Crisis Program is coordinated through the DHS County Assistance Offices to provide assistance to low-income eligible clients who have a heating emergency. For Weatherization, an energy audit of the home is conducted which determines air flow and leakage. A priority list of measures is followed to determine what should be done in a home to reduce energy usage. Measures may include weather-stripping, insulation, and window or door repair. For LIHEAP Crisis, furnaces may be repaired or replaced. LIHEAP funds, if available after the Crisis Season is over, are also used to weatherize homes.

All of DCNR's funding sources are combined into one annual application cycle (generally early in the year to early spring), and there is a single application format and process with one set of requirements and guidelines.

Community Conservation Partnerships Program—The Department of Conservation and Natural Resources (DCNR) Bureau of Recreation and Conservation (BRC) provides a single point of contact for communities and nonprofit conservation agencies seeking state assistance through its Community Conservation Partnerships Program (C2P2) in support of local recreation and conservation initiatives. This assistance can take the form of grants, technical assistance, information exchange, and training. Some C2P2 applications are selected for funding through the Federal Land and Water Conservation Fund Program or the Pennsylvania Recreational Trails Program, which require some supplemental information to address federal requirements.

To obtain assistance, contact one of DCNR's BRC six Regional Offices. Visit www.dcnr.state.pa.us/brc/grants/index for grant specifics and up-to-date information.

Community Recreation and Conservation—Community Recreation and Conservation grants are awarded to municipalities and authorized nonprofit organizations for recreation, park, trail and conservation projects. These include planning for feasibility studies, trail studies, conservation plans, master site development plans, and comprehensive recreation, park and open space and greenway plans; land acquisition for active or passive parks, trails and conservation purposes; and new development and rehabilitation of parks, trails and recreation facilities. Most projects require a 50 percent match, which can include a combination of cash and/or non-cash values.

More information can be obtained at www.grants.dcnr.state.pa.us/LearnMore.aspx?GrantProgramId=68.

Circuit Rider—The Circuit Rider grants are awarded to initiate new programs and services for county(ies), Council of Governments and/or multi-municipal entities that individually do not have the financial resources to hire a professional full-time staff person. The Circuit Rider's purpose is to initiate new programs and services in the designated service area. The intended result of this project is to increase the ability of grantee to more efficiently and effectively meet their recreation, park, greenway, open space and/or natural resource conservation needs. The grantee will be responsible for the long-term financial commitment and maintenance of this professional position. This is a four-year commitment of funding. Match is variable based on the year of funding. Eligible project costs include the Circuit Rider's salary only and bureau-approved

technical assistance and training expenses as follows:

1. Year-One: up to 100 percent of gross salary.
2. Year-Two: up to 75 percent of gross salary.
3. Year-Three: up to 50 percent of gross salary.
4. Year-Four: up to 25 percent of gross salary.

Federal Lands Access Program—This funding opportunity is for projects that are on, adjacent to, or connected to federal lands such as the National Park Service, U.S. Fish and Wildlife, U.S. Forest Service, or U.S. Army Corps of Engineers, etc.

Visit the Eastern Federal Lands Highway website: www.efl.fhwa.dot.gov/programs/federal-lands-access.aspx Applicants are encouraged to contact any of the Programming Decisions Committee members (listed on the website) with questions.

Land Trust Projects—Land Trust grants are awarded to pre-qualified Land Trusts and Conservancies to fund projects for open space and natural areas planning and acquisition. Priority is given to protecting critical habitat. These grants require a 50 percent cash match and/or a land donation non-cash value.

More information can be obtained at www.grants.dcnr.state.pa.us/LearnMore.aspx?GrantProgramId=70.

Partnerships Grant Program—Partnership grants are awarded to statewide and regional partners who advance the DCNR's Strategic Plan, Pennsylvania's Greenway Plan, Pennsylvania's Statewide Outdoor Recreation Plan, Pennsylvania's Heritage Areas Program and the Conservation Landscape Initiatives (CLI); Statewide and Regional Capacity Building. Project categories include: Education and Training, Special Purpose Planning and Studies, Implementation and Mini-Grants. Match is based upon the funding source and level of available funding.

More information can be found at www.grants.dcnr.state.pa.us/LearnMore.aspx?GrantProgramId=77.

Peer-to-Peer—Peer-to-Peer grants are awarded to help municipalities improve their park, recreation and conservation services through a collaborative process. Projects are accomplished through contracts with experienced park, recreation and conservation professionals from nearby communities who will work closely with local leaders. Examples may include projects that form new intergovernmental recreation and park agencies (which is a high priority for DCNR); improving management of a specific facility like a community center, trail or pool; conducting an overall management assessment of an agency's park and recreation services; park and recreation board training and development, etc. The applicant must provide at least a 10 percent local cash match. Non-cash match is not accepted for Peer-to-Peer projects.

More information can be found at <https://www.grants.dcnr.state.pa.us/LearnMore.aspx?GrantProgramId=75>.

Pennsylvania Recreational Trails—Pennsylvania Recreational Trails grants are awarded to federal and state agencies, local governments, nonprofit and for-profit organizations to assist with the construction, renovation and maintenance of trails and trail-related facilities for both motorized and non-motorized recreational trail use, the purchase or lease of equipment for trail maintenance and construction and the development of educational materials and programs. These grants require a minimum 20 percent match, which can include a combination of cash and/or non-cash values.

Rivers Conservation—Due to limited funding during this fiscal year, River Conservation grants are available to municipal entities only. Nonprofit organizations are encouraged to partner with a municipal entity to develop and execute this type of project. The purpose of this funding is to develop or implement watershed/river-corridor conservation plans. Priority is given to projects that implement plan recommendations in watersheds that are recorded on the Pennsylvania Rivers Registry. The bureau will consider early implementation development projects for funding in watersheds not linked to a Rivers Conservation Plan if the project can stand on its own merits and presents a significant and/or unique opportunity that connects communities to their rivers and advances the goals of the Rivers Conservation Program. These grants require a minimum of a 50 percent match, which can include a combination of cash and/or non-cash values.

More information can be found at www.grants.dcnr.state.pa.us/LearnMore.aspx?GrantProgramId=73.

Snowmobile/ATV—Snowmobile/All-Terrain Vehicle (S/ATV) grants are awarded to assist with the planning, acquisition of land, construction, renovation and maintenance of areas and facilities for snowmobile and all-terrain vehicle (ATV) use, the purchase or lease of equipment for trail construction and maintenance, and the development of educational materials and programs. These grants require a minimum 20 percent match, which can include a combination of cash and/or non-cash values. Land acquisition projects are the exception and require a 50 percent cash or land donation non-cash value as match.

More information can be found at <https://www.grants.dcnr.state.pa.us/LearnMore.aspx?GrantProgramId=74>.

VOLUNTEER FIRE ASSISTANCE GRANT PROGRAM

Bureau of Forestry Grants—This grant provides financial and technical assistance to State Foresters in cooperative efforts to organize, train and equip local forces in rural areas or communities with a population under 10,000 to prevent, control and suppress fires which threaten human life, livestock, wildlife, crops, pastures, orchards, woodlands, farmsteads, or other improvements in rural areas. The key objective of this program is to save lives and protect property in unprotected or inadequately protected rural areas.

More information can be found at <http://www.dcnr.state.pa.us/forestry/wildlandfire/vfd/VFAGrants/index.htm>.

WILD RESOURCE CONSERVATION PROGRAM

Wild Resource Conservation Program (WRCP)—The Wild Resource Conservation Program awards grants for biodiversity research, conservation, and education. The grant application window opens in April and ends June 30. While the exact grant priorities vary from year to year, our current focus is on better understanding and addressing the effects of environmental stressors, such as development and Pennsylvania's changing environment, on our native species. Most of the funds available through this grant program come from the Environmental Stewardship Fund; therefore, applicants must be counties, municipalities, or tax exempt 501(c)(3) organizations.

PROGRAM

DEADLINE / REGULATIONS

The Department of Drug and Alcohol Programs (DDAP) develops and implements a plan for the control, prevention, intervention, treatment, rehabilitation, research, education, and training aspects of the drug and alcohol abuse and dependence problems of the commonwealth to include coordination of the efforts of all state agencies in these efforts. The department works closely with other state agencies, counties, policy makers, treatment providers and other stakeholders to ensure that quality prevention, intervention, rehabilitation and treatment programs are made available throughout Pennsylvania. The department is also responsible for the development and oversight of services to prevent and treat problem gambling.

Drug and Alcohol Treatment and Prevention—Programs are implemented and services are provided through grant agreements with the 47 Single County Authorities (SCAs) who, in turn, contract with private service providers. SCAs provide administrative oversight to the local contracted programs funded with state and Substance Abuse Prevention and Treatment Block Grant funds.

DEADLINE / REGULATIONS

CAREER AND TECHNICAL EDUCATION

Carl D. Perkins Career and Technical Education Improvement Act of 2006—The act authorizes the legislation through Fiscal Year 2012, for a total of six years. While the bulk of the law is very similar to the 1998 Perkins Act, there are some significant changes in content and focus. Several themes are evident throughout accountability for results and program improvement at all levels, increased coordination within the CTE system, stronger academic and technical integration, connections between secondary and postsecondary education, and links to business and industry. This regulation has not been reauthorized and the state and local recipients continue to request extensions to the grant.

(9) Required Uses of Funds:

- Strengthen the academic and career and technical skills of students participating in CTE programs through the integration of academics with CTE programs.
- Link CTE at the secondary level and the postsecondary level.
- Provide students with strong experience in and understanding of all aspects of an industry.
- Develop, improve or expand the use of technology in CTE.
- Provide in-service and pre-service professional development programs to teachers, faculty, administrators and career guidance and academic counselors who are involved in integrated CTE programs.
- Develop and implement evaluations of the CTE programs carried out with Perkins funds.
- Initiate, improve, expand and modernize quality CTE programs, including relevant technology.
- Provide services and activities that are of sufficient size, scope and quality to be effective.
- Provide activities to prepare special populations, including single parents and displaced homemakers for high-skill, high-wage or high-demand occupations that will lead to self-sufficiency.

Application Deadline – August 31

PROGRAM

DEADLINE / REGULATIONS

It is the mission of DGS to provide high quality services at a good price to support the operation of state government. DGS is the state's purchaser of commodities and services, the manager of capital expenditures for buildings and the entity that maintains and protects our facilities. In addition, the department aims to make government friendlier for its users, expand opportunity for small diverse businesses, and reduce operating costs for the agencies of state government.

COSTARS—This program permits local public procurement units and state-affiliated entities registered within the Department of General Services to purchase goods and services from COSTARS designated contracts.

A complete list of currently registered communities and organizations eligible to purchase from these contracts, as well as more information about the COSTARS program itself, is available at **www.costars.state.pa.us** or call 1-866-768-7827. Contact – Dawn Eshenour at 717-346-4297

The Bureau of Supplies and Surplus Operations offers municipalities, nonprofits and the general public a number of programs to help stretch limited budget dollars.

Federal Surplus Property Program—Offers a limitless variety of property to municipalities and other nonprofit organizations within Pennsylvania. From paper to vehicles, from computers to concrete block, DGS can help meet your needs while saving money with surplus. Property available in inventory is viewable at the Harrisburg warehouse or online. Requests for any specific property that may not be in current inventory are also accepted so the department can find it elsewhere and arrange for its direct allocation to your location. The property itself is donated from the federal government; however, a service charge is incurred to cover the state's cost of administering the program.

Contact – 1-800-235-1555
www.dgs.state.pa.us/portal/server.pt/community/federal_surplus_property_program

1033 Excess Property Program—Provides Pennsylvania local law enforcement agencies an excellent opportunity to acquire excess Department of Defense equipment and supplies to use in the line of duty. Body armor, photographic equipment, computers, night-vision goggles, vehicles, and many other items can be acquired to protect the men and women who serve the community. The property is donated by the federal government, and requires compliance. An annual fee based on the number of officers (starting at \$400/year) enables agencies to acquire property all year without a charge.

Contact – 717-787-6197
www.portal.state.pa.us/portal/server.pt/community/law_enforcement_1033_excess_property_program/1398

1122 New Property Program—Enables Pennsylvania local law enforcement, emergency response and Homeland Security agencies to purchase new equipment and supplies suitable for counterdrug activities from federal contracts. Because of its volume purchasing power, the federal government receives tremendous discounts on many of these items. DGS researches the federal contracts and provides quotes. A service charge of 4 percent of the purchase price up to \$50,000, or \$500, whichever is less, is incurred. For purchases above \$50,000 but less than \$100,000, the service charge is \$750; and for purchases valued greater than \$100,000, there is a \$1,000 service charge.

PROGRAM

DEADLINE / REGULATIONS

The Pennsylvania Department of Health is involved in numerous health and well being assistance opportunities. Eligible participants in our programs range from individuals to health care practitioners and or facilities. Web visitors can quickly and conveniently access current health statistics, request a copy of a birth certificate, browse through the department's catalog of publications, locate the nearest local health department and learn the latest information on public health issues at their finger tips.

The Department of Health publishes a comprehensive guide entitled the Health and Human Services Resource Guide. The guide is designed to inform individuals about human resources that may be readily available in their area. This information is also available at the department's Website www.health.pa.gov. Once at the Website, conduct a site search using the keyword "Resource Guide."

Below is a summary of programs for individuals who are either uninsured or underinsured in the Commonwealth of Pennsylvania to identify potential points of health-care service.

PA Developmental Disabilities Council—Provides funding to engage in advocacy, systems change and capacity building for people with developmental disabilities and their families in order to:

Contact—PA Developmental Disabilities Council at 1-877-685-4452

- Support people with disabilities in taking control of their own lives
- Ensure access to goods, services, and supports
- Build inclusive communities
- Pursue a cross-disability agenda
- Change negative societal attitudes towards people with disabilities

Employment and Job Training for Welfare Clients—Provides employment and training programs throughout Pennsylvania for welfare clients through contracts with organizations qualified to offer such programs.

Contact—DHS at (717) 787-4048

Low Income Home Energy Assistance (LIHEAP)—Assistance to help individuals and families pay for winter heating bills. Two types of statewide grants are offered: cash and crisis. Cash grants are based on income, family size, type of heating fuel and heating regions. Crisis grants are awarded to families with heating emergencies, such as mechanical breakdowns or unexpected fuel shortages. Neither grant must be repaid. No lien is placed on the property of families obtaining the grants.

The program opens in November and closes in April or whenever funds are depleted, whichever occurs first. Contact—The Office of Income Maintenance at (717) 783-3063 or the toll free LIHEAP hotline at 1-866-857-7095

Supported Services Waiver Program—Provides funding for supports and services to help people live in their home and community. Waivers offer an array of services and benefits such as qualified providers, due process, and health and safety assurances. The name waiver comes from the fact that the federal government "waives" Medical Assistance/Medicaid rules for institutional care in order for a Pennsylvanian to use the same funds to provide support and services for people closer to home or in their own communities. In Pennsylvania, DHS administers 10 Medical Assistance/Medicaid waivers and the Living Independence for the Elderly Program. Each waiver has its own unique set of eligibility requirements and services.

Catastrophic Loss Benefits Continuation Fund (AUTO CAT FUND)—The Catastrophic Loss Benefits Continuation Fund (Auto CAT Fund) continues benefits for medical treatment and rehabilitative services, previously provided by the Catastrophic Loss Trust Fund, for injuries arising out of the maintenance or use of a motor vehicle between October 1, 1984 and December 31, 1989. In addition to other eligibility criteria and before being eligible for benefits, the claimant must incur \$100,000 in medically necessary and reasonable medical and/or rehabilitative expenses. Benefits are capped at \$50,000 per year with a \$1,000,000 lifetime maximum. Except for workers' compensation the Auto CAT Fund is the primary payor for eligible claimants and coordinates benefits with health and other insurance carriers. Insurers may confirm whether the Auto CAT Fund is the primary payor on a particular claim by contacting the current third party administrator.

Additional information on filing a claim, benefits and eligibility requirements are available on the department's website at www.insurance.pa.gov or calling the Auto CAT Fund at (717) 787-4919.

CHIP (Children's Health Insurance Program)—This program provides free or low-cost comprehensive health care to children under the age of 19 whose families make too much money to qualify for Medical Assistance and are not otherwise covered by health insurance. CHIP has expanded to cover all kids and that means that now, no family makes too much to be eligible. The cost of coverage is based on family income.

Additional information is available on the department's website at www.chipcoverspakids.com. Families may apply online at: www.compass.state.pa.us, by phone at 1 (800) 986-KIDS or by calling 1 (800) 986-KIDS to receive a paper application, which will be mailed.

Quality comprehensive health-care benefits provided by CHIP include, immunizations, routine check-ups, diagnostic testing, prescription drugs, dental, vision and hearing services, emergency care, maternity care, mental health benefits, up to 90 days of hospitalization in any year, durable medical equipment, substance abuse treatment, partial hospitalization for mental health services, rehabilitation therapies and home health care.

Underground Storage Tank Indemnification Fund—The Storage Tank and Spill Prevention Act, Act 32 of 1989 created the Underground Storage Tank Indemnification Fund (USTIF) to assist owners and operators in meeting insurance requirements. The USTIF makes claim payments, presently up to \$1,500,000 per tank per occurrence, to eligible underground storage tank (UST) owners or operators for damages caused by a release from their UST. To be eligible, the release must have occurred on or after February 1, 1994 and meet other eligibility requirements set forth in the Act. The USTIF also indemnifies tank owners for third party liability that may occur when the release from a UST has injured another person or that person's property.

Additional information on filing a claim, benefits and eligibility requirements are available on the department's website at www.insurance.pa.gov or by calling the USTIF at: 1(800) 595-9887 (PA) or (717) 787-0763.

PROGRAM

DEADLINE / REGULATIONS

Alternative Trade Adjustment Assistance (ATAA)—The Trade Act establishes ATAA as an alternative assistance program for older workers certified eligible to apply for TAA ATAA. It is designed to allow TAA eligible workers for whom retraining may not be appropriate and who find reemployment, to receive a wage subsidy to help bridge the salary gap between their old and new employment. To receive the ATAA benefits, workers must be TAA and ATAA certified and must file the application for ATAA within two years of the first day of qualifying reemployment.

More information on TAA benefits is available by calling the UC Service Center or visiting a PA CareerLink® and requesting the pamphlet, UCP-11 or UCP-11 (A), Assistance for Workers Under the Trade Act of 1974.

An individual must meet the following requirements for participation in the ATAA program:

- Be at least 50 years old at the time of reemployment
- Be reemployed by the last day of the 26th week after the worker's qualifying separation from the TAA/ATAA certified employment
- Not be expected to earn more than \$50,000 annually from the reemployment
- Be reemployed full-time
- Not return to work from which the worker was separated

The ATAA supplement shall cease:

- If the individual's annualized reemployment wage is projected to exceed \$50,000
- If the individual has received \$10,000 in ATAA benefits
- If the worker has reached the end of the 2-year eligibility period

Workers who begin receiving payments under the ATAA program cannot receive other TAA benefits and services except for relocation allowances.

AmeriCorps State Program Grants—The Governor's Office of Citizen Service provides grants to community-based, faith-based and educational institutions to operate AmeriCorps programs designed to address unmet needs at the community level. Grantees awarded funding enroll individuals as AmeriCorps members to address community needs. AmeriCorps members typically serve full time (1,700 hours per year) and receive a stipend and an Education Award. Stipends begin at \$12,100 for full-time members; the full-time member Education Award is \$5,645 for 2014-2015. Grants are awarded annually. There is a 24 percent initial match requirement. These are federal funds and subject to federal as well as state regulations. Grant applications are taken in the fall and are typically due in early December.

incumbent worker skills training to better position workers and employers to remain competitive in the global marketplace. The program places a heavy emphasis on outcomes such as the attainment of industry-recognized credentials, wage gains, career advancement, and retention within the workplace.

Individual Training Account (ITA)—An ITA is a mechanism authorized by the Workforce Investment Act, which is intended to finance occupational skills training for participants to become gainfully employed or re-employed. Customers approved for training may use their ITAs to purchase occupational skills training slots in any program on the statewide list.

The specific parameters for ITAs are established by each Local Workforce Investment Area, which may include a maximum duration of training, cost of training, or other requirements.

Keystone Works—The program provides business-driven training opportunities for eligible unemployment compensation (UC) claimants. A claimant remains eligible for full UC benefits while participating in training, and businesses are eligible to receive incentive payments when certain milestones are met. Generally, claimants collecting regular state UC benefits with eligible weeks that meet or exceed the length of training are eligible to participate. The training program can be a maximum of up to 24 hours per week for up to eight weeks. The Department of Labor and Industry will review training proposals for approval. Upon completion of training, a business that hires a claimant into the job opening being trained for is eligible to receive incentive payments of \$375 for every four consecutive work weeks the claimant remains employed at least 35 hours per week. These incentive payments are available for up to four consecutive periods of four consecutive work weeks for a maximum of \$1,500 in total incentive payments per claimant. Training programs must be for positions in high priority occupations.

Pell Grants—Pell grants, as well as most federal student aid, are awarded on the basis of financial need. The amount that an individual receives is based on a formula that includes the cost of attendance minus the Expected Family Contribution. The student must be enrolled in a program of organized instruction or study that leads to an academic, professional, or vocational degree or certificate, or other recognized educational credential. PA CareerLink® staff and the training providers with whom local areas work can provide guidance on how participants can apply for Pell grants and other student aid. There also are various websites that provide instructions on the application process.

PROGRAM

DEADLINE / REGULATIONS

TAA Job Search and Relocation Allowances—The TAA program can also assist with workers' expenses incurred in seeking employment outside a certified worker's normal commuting area if a suitable job is not available in the area. Job search allowances reimburse 90 percent of the total costs of allowable travel and subsistence, up to \$1,250. If workers have to relocate to accept employment out of the commuting area, TAA can reimburse 90 percent of the cost to move them and their families and includes a lump sum payment equal to three times the worker's average weekly wage (but no more than \$1,250) to help them get settled.

Trade Adjustment Assistance (TAA)—The Trade Act's TAA program helps workers who have lost their jobs as a result of increased imports or shifts in production out of the United States. TAA can provide funding for tuition, books and supplies, and basic or remedial education, which may include training in literacy or English as a second language. Occupational training is targeted to a specific occupation and provided to help certified workers secure employment at a skill level and wage similar to, or higher than, their layoff employment. Based on the individual's existing skills and labor market conditions, training will be of the shortest duration necessary to return the individual to employment, with a maximum duration of 104 weeks. TAA can also pay 50 percent of the salary for on-the-job training and customized training designed to meet the needs of a specific employer or group of employers.

More information on TAA benefits is available by calling the UC Service Center or visiting a PA CareerLink® and requesting the pamphlet, UCP-11 or UCP-11 (A), Assistance for Workers Under the Trade Act of 1974.

Work Opportunity Tax Credit (WOTC)—The WOTC provides a private-for-profit employer with federal tax liability savings as an incentive to hire job seekers with barriers to employment. WOTC targets short- and long-term Temporary Assistance for Needy Families recipients; Supplemental Nutrition Assistance Program (SNAP) recipients; Veterans on SNAP; disabled Veterans; unemployed Veterans; recent vocational rehabilitation customers who received services through a state plan for vocational rehabilitation or the U.S. Department of Veterans Affairs (VA) or have a Ticket to Work and an active individual work plan with an Employment Network (EN); Supplemental Security Income recipients; ex-felons; and designated community residents and summer youth living in an Empowerment Zone or Rural Renewal Community. The WOTC also provides nonprofit, 501(c), employers with a payroll tax deduction as an incentive to hire any of the five Veteran target groups. For most target groups mentioned above, the WOTC is 40 percent of the first \$6,000 in wages, for a maximum credit of \$2,400 (exceptions to these amounts apply to some target groups). A new hire must be employed at least 180 days or 400 hours. A partial credit of 25 percent is permitted for employees working between 120 and 399 hours.

Vocational Rehabilitation Services—The Pennsylvania Office of Vocational Rehabilitation, or OVR, serves two primary customer groups: individuals with disabilities and businesses. OVR provides vocational rehabilitation services to help persons with disabilities prepare for, obtain, or maintain employment. Services are very individualized and are provided both directly and indirectly through a network of approved vendors. The OVR counselor, during face-to-face interviews, assists customers in selecting their choice of vocational goals, services and service providers. For employers, OVR will provide pre-screened, qualified applicants to meet the workforce needs of a business. OVR will also provide no-cost services to businesses such as accessibility analysis and worksite modification consultation, assistive technology information, disability awareness training for other staff, and answers to ADA-related questions. Information about on-the-job training reimbursement and tax credits will also be made available to the business.

There are OVR District Offices in 15 locations staffed with trained, professional Vocational Rehabilitation Counselors which serve Pennsylvania in all 67 counties. In six of those district offices, OVR's Bureau of Blindness and Visual Services provides specialized services to blind and visually impaired individuals to assist them not only with securing and maintaining a job but also to live independently in their community. In addition, the Hiram G. Andrews Center (HGAC) in Johnstown provides vocational training and comprehensive rehabilitation services to people from across the state. The state-owned and operated HGAC is a 12-acre-under-one-roof barrier-free campus that provides each student with an individual workstation and specialized adaptive tools and equipment as needed. Interested applicants are urged to visit HGAC and explore its opportunities. Tours for individuals and groups can be arranged by appointment, 814-254-0645 or 800-762-4211.

Types of Vocational Rehabilitation Services

OVR provides a wide range of services to eligible applicants. OVR services include:

- **Diagnostic Services:** Medical, psychological, and audiological examinations and tests used to better understand your disability and your needs for specific types of services.
- **Vocational Evaluation:** Aptitude, interest, general ability, academic exams, work tolerance, and "hands-on" job experience used to understand your vocational potential.
- **Counseling:** Vocational counseling will help you to better understand your potential, to rely on your abilities, to set realistic vocational goals, to change them when necessary, to develop successful work habits, and to begin a satisfying career. Counseling is available throughout your rehabilitation program.
- **Training:** Education to prepare you for a job including, but not limited to, basic academic vocational/technical, college, on-the-job training, independent living skills, and personal and work adjustment training.
- **Restoration Services:** Medical services and equipment such as physical and occupational therapy, wheelchairs, and automobile hand controls can be provided to enable you to pursue and achieve employment.
- **Placement Assistance:** Counseling, job-seeking programs, job clubs, and job development are used to increase your ability to get a job. You will receive ideas, practice, and advice on finding job leads, filling out applications, getting interviews for a job, and how to interview. Your counselor may also give you job leads or contact employers about available tax credits and hiring incentives. The more contacts with employers you make, the better your chances are of finding a job.

Education Assistance Program (Act 11 of 2000)—This public service grant provides funds to help cover the cost of tuition for eligible Pennsylvania National Guard members who attend approved institutions of higher learning located in Pennsylvania. Grants are available to eligible Pennsylvania National Guard members for 100 percent of the tuition cost for full-time students (12 or more credits) at a State System of Higher Education (SSHE) school. Those members attending a non-SSHE school would be eligible to receive the equivalent amount, \$3,311, or their actual tuition cost, whichever is less per semester. Pennsylvania National Guard members that do not possess a bachelor's degree and are enrolled as a part-time student (three to 11 credits) can receive 100 percent of their tuition or \$2,207 per semester, whichever amount is less; those members possessing a bachelor's degree would be eligible to receive 50 percent of their tuition or \$1,104 per semester, whichever amount is less. Members who were deployed to a combat zone will have their eligibility for EAP extended for a period of one year or for one additional month for each month of service, whichever is longer. Eligible EAP members who were ordered to active federal service or active state duty will have the deadline for making grant payments extended for one additional month for each month of service after the member is discharged or released under honorable conditions from the Pennsylvania National Guard. Eligible members discharged after September 11, 2001 because of a line of duty injury will have extended EAP benefits for six years from the date of the "medical" discharge.

MULTIMODAL TRANSPORTATION

Multimodal Transportation Fund—Act 89 authorizes state funding through the Multimodal Transportation Fund for aviation, freight and passenger rail, public transit, ports and waterways, highway/bridge, and bike and pedestrian projects. The program provides financial assistance to municipalities, councils of governments, businesses, economic development organizations, public transportation agencies, rail/freight, and ports. Eligible projects are those that coordinate local land use with transportation assets to enhance existing communities; projects that relate to streetscape, lighting, sidewalk enhancement, and pedestrian safety; projects that improve connectivity or utilization of existing transportation assets; and projects related to transit-oriented development. Eligible applicants may apply for multimodal transportation funding to fund up to 70 percent of the total project cost. Grants are available for projects with a total cost of \$100,000 or more. Grants will not exceed \$3,000,000.

BUREAU OF MUNICIPAL SERVICES

Agility Program—This innovative, streamlined program is designed to make the most of limited resources by exchanging services between PennDOT district and county maintenance offices and public procurement units such as municipalities, charitable hospitals, school districts, metropolitan and rural planning organizations, volunteer fire departments, law enforcement agencies, state and federal government agencies, community colleges, etc. Agility allows the exchange of services, instead of money, between PennDOT and eligible partners. For example, PennDOT may patch potholes along a township road in exchange for having the township's crew mow along state roads. The program has enabled local governments to accomplish more than they could have with their own limited resources and increased our collective effectiveness and efficiencies for the general public.

Agility Agreements have a contract life of five years with a three-year renewal clause for a total of eight years. The exchange of services must be of a reasonably equal value and detailed on a single-page work plan and approved by PennDOT, the partner and AFSCME.

Highway Transfer (Turnback) Program—The commonwealth enacted Act 70 in July 2006, amending Act 1983-32 authorizing an increase in the annual maintenance payment rate for all Turnback roads from \$2,500 per mile to \$4,000 per mile. This annual maintenance payment is made in perpetuity for the maintenance of the roadway and is paid to municipalities in April of each year. The objective of this program is to transfer the ownership of state-owned roads that predominantly carry local traffic, carry low numbers of vehicles on a daily basis, and/or would better serve the community if operated under municipal jurisdiction. PennDOT either rehabilitates the roadway before the transfer takes place or provides the municipality with funding to rehabilitate the roadway to improve its quality and service life. Local officials must adopt a resolution authorizing the acceptance of the transfer. Each PennDOT district office has a turnback coordinator who can assist local governments.

BUREAU OF RAIL FREIGHT, PORTS AND WATERWAYS

Capital Budget Rail Freight Assistance—State funded program that provides financial assistance to railroads and users of the rail freight transportation system for rail freight maintenance and construction projects. An annual grant program with a current funding allocation of \$30 million. Only entities that have an authorization in a current Capital Budget Act are eligible to apply. Eligible types of projects include rail maintenance and construction. Maximum state funding for both types of projects is 70 percent of the total project cost, but shall not exceed the line item amount authorized by the specific capital budget bill containing the budget authorization.

Applications typically accepted mid summer through early fall of each year. Applications deadlines can be found on PennDOT's Website at www.dot.state.pa.us
Applications must be submitted electronically via the PennDOT Grant Management System. To access the application, go to www.dot34.state.pa.us/egrants

Rail Freight Assistance Program (RFAP)—This program provides state-funded financial assistance for investment in rail freight infrastructure to preserve rail freight service and stimulate economic development through the generation of new or expanded rail freight service. RFAP is a grant program with an annual funding stream of \$10 million. In addition, RFAP Marcellus Shale-related grant projects are eligible for the Marcellus Shale fee funding of \$1 million annually. The maximum state funding for any project is \$700,000, or no greater than 70 percent of the actual total project cost, whichever is less. The funding for the new construction portion of any project cannot exceed \$250,000. The final grant award will be based upon actual bid costs or agreed upon prices if work is to be performed by your own labor forces.

The open application periods are posted on PennDOT's Website at www.dot.state.pa.us
Applications must be submitted electronically via the PennDOT Grant Management System. To access the application, go to www.dot34.state.pa.us/egrants

PENNSYLVANIA TREASURY DEPARTMENT

www.patreasury.gov

PROGRAM

DEADLINE / REGULATIONS

Bureau of Unclaimed Property—Each year, the PA Treasury receives millions of dollars in unclaimed property, and works hard to return it to its rightful owners. Unclaimed property is any financial asset that has been left with a “holder,” such as a bank, insurance company, or other business or organization, without activity or contact for multiple years, depending on the property type. By law, holders must transfer unclaimed property to Treasury. The most common types of unclaimed property are savings or checking accounts, stocks, dividends, checks that have not been cashed, certificates of deposit, unclaimed insurance benefits, unused gift certificates, or items abandoned in safe deposit boxes or held by police departments. The Treasurer and his staff currently seek the owners of nearly \$2 billion in unclaimed property.

Individuals can search for unclaimed property at www.patreasury.gov or by calling 1-800-222-2046. Claimants may also use the website to check the status of an unclaimed property claim. Holders needing information about reporting unclaimed property by April 15 of each year may call Treasury at 1-800-379-3999 or visit www.patreasury.gov for a copy of the Unclaimed Property Act and to download reporting forms and/or reporting software.

INVEST Program—The INVEST program provides cash management for local governments and nonprofits. Similar in concept to money market funds, INVEST offers two highly rated short-term investment pools and custom pools for longer-term investment needs. INVEST’s portfolios are managed by PA Treasury investment professionals, who also oversee the investment and custody of nearly \$80 billion in public funds. While INVEST funds are never commingled with state funds, Treasury can negotiate better rates by leveraging its purchase power for INVEST as well as its investment pool for state agencies. Treasury doesn’t seek a profit from INVEST, further helping to minimize costs to participants.

More information is available at www.patreasury.gov. Call 1-866-300-4603 for the Local Government Investment Pool Application Form or the Community Investment Pool Application Form. All applications should be directed to: Pennsylvania Treasury, INVEST Program, Room 120 Finance Building, Harrisburg, PA 17120.

KeystoneHELP—The Keystone Home Energy Loan Program (Keystone HELP) offers affordable financing options through AFC First Financial that help commonwealth homeowners conserve energy and save money on their utility bills. Eligible homeowners can obtain loans to purchase and install energy-efficient equipment or to implement whole-house improvements.

Information about applying for a Keystone HELP loan is available at www.KeystoneHELP.com or by calling 1-888-232-3477. Keystone HELP differs from the Low Income Home Energy Assistance Program (LIHEAP), which provides grants to help low-income families pay their heating bills. More information about LIHEAP and about determining eligibility is available from the toll-free LIHEAP hotline at 1-866-857-7095.

Pennsylvania 529 College Savings Program—Pennsylvania offers two plans, the PA 529 Guaranteed Savings Plan (GSP) and the PA 529 Investment Plan (IP). Under the PA 529 GSP, principal is protected and, when used for college, growth is based on college tuition inflation – not the financial markets. The PA 529 GSP allows families to contribute enough to cover any portion of college (e.g., a credit, semester, a year, or four years) today and have that portion covered tomorrow – no matter when or how much tuition rises in the meantime. The PA 529 IP is a mutual fund-based investment product, investing the deposited funds in a wide variety of investment vehicles from The Vanguard Group. Fees apply. Families saving through either PA 529 plan receive tax-deferred growth on earnings and tax-free withdrawals when funds are used for qualified educational expenses. PA taxpayers can deduct contributions to a PA 529 account from their PA taxable income up to \$14,000 per beneficiary per year. For married couples, contributions up to \$28,000 per beneficiary are deductible, provided each spouse has taxable income of at least \$14,000.

More information about the Pennsylvania 529 College Savings Program is available at www.PA529.com or by calling 1-800-440-4000.

CENTER FOR RURAL PENNSYLVANIA

www.rural.palegislature.us

PROGRAM

The Center for Rural Pennsylvania is a bipartisan, bicameral legislative agency that serves as a resource for rural policy research within the Pennsylvania General Assembly.

The Center's mission is to promote and sustain the vitality of the state's rural and small communities by: administering grants to conduct research on matters relating to rural conditions; maintaining and disseminating a broad base of information on rural trends and conditions; publishing research and project results; and sponsoring regional and statewide forums on rural issues. As part of the Center's yearly Research Grant Program, the Board of Directors approves topics for research projects. All projects must show a clear relationship to one or more of the Center's mandated research areas, which are: rural people and communities; economic development; local government finance and administration; community services; natural resources and the environment; rural values and social change; educational outreach; agriculture; and health and welfare concerns.

Eligibility: The Center's enabling legislation requires that Center grants be awarded to qualified faculty members of Pennsylvania State University, the Pennsylvania State System of Higher Education (PASSHE) universities, and the regional campuses of the University of Pittsburgh. A qualified faculty member must serve as the project director. Partnerships with other academic institutions, community organizations, and public and private agencies are encouraged.

Research Grant Program: One-year grants are awarded to conduct applied policy research or to identify local strategies that can result in legislative or program policy considerations or recommendations. For the 2015 grant cycle, the maximum allowable grant award is \$50,000 per project.

Mini Grant Program: Mini Grants are awarded to projects that focus on basic data collection and analysis, time-sensitive issues, and/or the preparation of reference materials. Projects supported as Mini Grants are a maximum of nine months in duration and are eligible for a maximum of \$15,000 in Center support.

OFFICE OF HOMELAND SECURITY

www.homelandsecurity.pa.gov

PROGRAM

DEADLINE / REGULATIONS

The Governor's Office of Homeland Security helps to administer two federal grant programs for law enforcement agencies and nonprofit organizations within the Commonwealth. The Homeland Security staff can assist with the application process and recipient project planning.

Operation Stonegarden (OPSG)—Grants from OPSG enhance law enforcement preparedness and operational readiness along the borders of the U.S. Grant awards are intended to promote cooperation and coordination between local, tribal, territorial, state and federal law enforcement agencies. Eligible Recipients: Erie County is the only PA jurisdiction eligible to receive OPSG funds. Funding: The total amount distributed for fiscal year 2013 was \$55 million. Grant awards can be upwards of \$1 million.

Details about Operation Stonegarden are available from the U.S. Department of Homeland Security website or by calling GOHS at 717-346-4460.

Urban Area Security Initiative - Nonprofit Security Grant Program (NSGP)—UASI-NSGP grants help nonprofit organizations, which are at a high risk of terrorist attack, with security and preparedness activities. A goal of the program is to integrate nonprofit preparedness activities with the broader state and local preparedness efforts and to promote communication between public and private organizations. Eligible Recipients: Nonprofit organizations that are at high risk of terrorist attack and are located within a specific UASI-eligible urban areas. In Pennsylvania, Philadelphia and Pittsburgh are the only designated UASI areas. The Philadelphia UASI includes Bucks, Chester, Delaware, Montgomery and Philadelphia counties. The Pittsburgh UASI includes Allegheny, Armstrong, Beaver, Butler, Fayette, Westmoreland and Washington counties. Funding: The total amount distributed throughout the U.S. for fiscal year 2013 was \$9 million. The maximum award is \$75,000.

Application Process: Nonprofit organizations email applications to the PA Homeland Security office. Applications are checked for completeness, format and content. The applications are then sent to the Philadelphia UASI Executive Committee for scoring according to criteria set by the federal Department of Homeland Security (DHS). The UASI scores the applications and returns them to the PA Homeland Security office, who prioritizes all submissions, and submits them to DHS/FEMA. PA Homeland Security receives notification from DHS as to which applicants received an award.

Timeline: Application and guidance kits are released by DHS in December. Homeland Security immediately sends the kits the UASI areas, and all the nonprofits we have contact with. Application submissions from nonprofit organizations are due back to the Homeland Security office by early April. The commonwealth sends the applications to the associated UASI for scoring after the scoring sheets are returned to the office for submission to DHS by late April or early May. Awards are announced 90 days later. Recipients have 36 months to complete the projects identified in their applications.

More Information: Details about the Urban Areas Security Initiative Nonprofit Security Grant Program are available from the U.S. Department of Homeland Security website or by calling PA Homeland Security at 717-346-4460.

PROGRAM

DEADLINE / REGULATIONS

Redevelopment Assistance Capital Program (RACP)—The state’s RACP program is designed to aid community and economic development projects throughout the commonwealth that demonstrate significant economic impacts to local and regional economies. The RACP program operates as a reimbursement program for eligible project costs including, but not limited to, construction, land acquisition, permitting, and any interest costs paid during construction. Capital projects eligible for RACP funding must have a total project cost of at least \$1 million, with a required minimum of 50 percent participation in non-state match.

Contact—Office of the Budget, (717) 787-2542
Website—www.budget.state.pa.us

The process for securing RACP funds begins with the inclusion of a line item authorization for a specific project in the state’s Capital Budget, allocating a certain amount of funding to the project. Act 48 of 2010 amended the Capital Facilities Debt Enabling Act, increasing the commonwealth’s debt ceiling by \$600 million, allowing at least \$1.2 billion in development projects to advance through RACP.

Candidates who have an authorized and eligible project will need to submit a Business Plan to the Office of the Budget. All submissions that pass an initial review of eligibility and completeness will be scored according to five sectors of project scoring methodology: Job Creation/Retention, Community Impact, Strategic Clusters, Financial Impact, and Shovel Readiness (for complete details about submission deadlines and other information regarding the five-sector scoring methodology, please go to www.budget.state.pa.us). Once all of the projects have been scored in accordance with the published criteria, the Office of the Budget will forward a complete listing of projects, corresponding scores and summaries to a Selection Committee chaired by the Governor’s Office of the Budget. The Selection Committee will then review and make project selections for Grant Awards.

PENNSYLVANIA COUNCIL ON THE ARTS (PCA)

www.arts.pa.gov

PROGRAM

DEADLINE / REGULATIONS

Arts In Education (AIE) Division—The Arts in Education Division of the Pennsylvania Council on the Arts provides funding for arts in education programs and projects. Regional partners train, place, and evaluate artists for residencies in schools. To determine the appropriate regional partner, please go to www.arts.pa.gov.
Who Can Apply – Funding is available to public and private schools; childcare centers, senior centers and other not-for-profit, tax-exempt organizations; and units of government in Pennsylvania. For additional information and application assistance, contact your local AIE Partner organization.

Regional Partners have rolling deadlines. Early school year application is encouraged as funding is limited.

Arts Organizations and Arts Programs (AOAP) and PPA Program Stream—Eligibility is by invitation to organizations and programs with a PCA funding history. Organizations must meet eligibility requirements and be notified by the PCA in order to apply. The AOAP Track funds over 200 organizations with an average fiscal size over \$200,000. PPA Program Stream funds over 350 organizations with an average fiscal size under \$200,000.

Deadline: January
Visit www.arts.pa.gov

Entry Track—This track serves as a point of entry for arts organizations and arts programs that are new or relatively new to the PCA. Entry Track supports eligible arts organizations and arts programs that generally have a history of at least one year of consistent arts/cultural programming. PCA staff is available to Entry Track organizations for consultation and assistance. Who can apply – Generally, an organization is eligible to apply if at the time of application the arts organization or program has: an average fiscal size over \$200,000; at least one year of ongoing stable arts programming; nonprofit 501(c)(3), tax-exempt corporations, a unit of government, or school district providing arts programming and/or arts services in Pennsylvania. An arts program may apply through a fiscal sponsor to the Entry Track. An organization is NOT eligible to apply to Entry Track if the organization is: currently funded by a PA Partners in the Arts (PPA) regional partner, or will apply to a PPA Partner within the same funding period; planning to conduct a one-time only arts project. Organizations who do not meet the eligibility requirements of the Entry Track may be eligible for application to the Pennsylvania Partners in the Arts (PPA) program. PPA offers both ongoing support and arts projects funding opportunities.

Potential applicants interested in this track must contact the PCA prior to the deadline to schedule a phone interview and to receive additional information.

PROGRAM

Pennsylvania Partners in the Arts (PPA) – Project Stream –

Through 13 regional partner organizations across the state, the PCA re-grants state arts funds to support a wide variety of local and community arts activities. Through PPA Partner organizations, a streamlined application process, and ongoing technical support, the PPA program has increased access to state arts dollars to hundreds of arts projects in communities throughout the commonwealth. Activities supported through PPA awards include, but are not limited to, local and regional celebrations and festivals; classical, jazz, opera and community band concerts; theater productions; visual arts exhibitions and workshops; visiting authors and poets; hands-on art experiences for children and youth; and arts programs at heritage events, libraries, historical societies, schools and senior citizen centers across the commonwealth. Applications for funding are available in the spring from your regional PPA Partner.

Who can apply – Nonprofit arts organizations that have 501(c)(3) status from the IRS; emerging arts organizations, including those that have applied for but have not yet received 501(c)(3) status; community-based organizations, entities of local government and churches or faith-based organizations that present arts activities to promote artistic enrichment and appreciation for commonwealth residents; individual artists (age 18 or older) or a consortia of artists who present arts activities to promote artistic enrichment and appreciation to residents of the commonwealth. Eligible projects must include a public component.

PENNSYLVANIA DEVELOPMENTAL DISABILITIES COUNCIL

www.paddc.org

PROGRAM

The Pennsylvania Developmental Disabilities Council (PADDCC)— Created under the Federal Developmental Disabilities Assistance and Bill of Rights Act and Governor’s Executive Order, the council is both a planning group and a funding body. The council engages in advocacy, systems change and capacity building for people with developmental disabilities and their families in order to:

- Support people with disabilities in taking control of their own lives
- Ensure access to goods, services, and supports
- Build inclusive communities
- Pursue a cross-disability agenda
- Change negative societal attitudes towards people with disabilities

The council is always seeking thoughts and ideas from concerned citizens regarding issues that affect the lives of people with developmental disabilities and creative ideas for tackling these issues. The council funds proposals from groups and organizations through a competitive bid process. All grant activities of the council are governed by the council’s federally approved state plan and by the procurement requirements of the U.S. Department of Health and Human Services and the Commonwealth of Pennsylvania. Grants are typically available for only short periods of time and are generally for specified activities. The council periodically announces Requests for Proposals (RFPs) and issues notices of funding for smaller grants through its Grassroots Advocacy and Multicultural Outreach Programs. It does not have discretionary funds beyond those publications. The council only accepts proposals for the projects described in the RFP booklet and in response to notices of funding for the Grassroots Advocacy and Multicultural Outreach Programs. The RFP booklet contains descriptions of projects that the council will be funding and instructions on how grant proposals must be written to meet the council’s requirements. People on the council’s mailing list receive the booklet in the mail. Other copies of the booklet are distributed by hand or accessed on the council’s website.

Emergency Management Performance Grant—This grant provides the necessary direction, coordination and guidance, and assistance to support a comprehensive all-hazards emergency preparedness system. This program provides up to 50 percent of the salary and benefits of approved emergency management agency job positions. All 67 counties are eligible to apply. This grant requires a 50 percent county match.

Contact – PEMA Grants Coordinator,
717-651-2035

Hazardous Materials Emergency Preparedness Planning and Training Grants—The purpose of this grant program is to increase effectiveness in safely handling hazardous materials accidents and incidents, enhance implementation of the Emergency Planning and Community Right-to-Know Act of 1986 (EPCRA), and encourage a comprehensive approach to emergency training and planning by incorporating the unique challenges of responses to transportation situations. The commonwealth's 67 counties are eligible to apply for grants provided under this program . While these grants require a 20% county match, the match may be accomplished with county or state Hazardous Materials Response Fund grants, or as a "soft-match", such as the value of in-kind contributions. Counties may receive grants in both planning and training programs. Grants under this program are on a reimbursable basis — expenditures are reimbursed after completion of activities or contractual obligations.

PHFA PROGRAMS FOR HOMEBUYERS

HFA Preferred Risk Sharing™ Loan Program—The HFA Preferred Risk Sharing™ Loan provides a conventional, 30-year fixed-rate first mortgage loan with no mortgage insurance. Typical conventional loans will add a premium to the monthly mortgage payment to cover the cost of this insurance. Since this additional payment is not required with HFA Preferred Risk Sharing™, the total monthly mortgage payment is typically lower than a loan with mortgage insurance included, even though the interest rate may be slightly higher.

HFA Preferred™ Loan Program—The HFA Preferred™ Loan provides a conventional, 30-year fixed-rate mortgage with private mortgage insurance provided by a Fannie Mae-approved mortgage insurer. If the homebuyer makes a downpayment of 20% or more then mortgage insurance is not required. Private mortgage insurance payments on the loan will also end as soon as the homeowner pays off 20% of their home loan.

Keystone Home Loan (KHL)—The Keystone Home Loan provides a 30-year, fixed-rate home mortgage loan to eligible homebuyers financed through the Federal Housing Administration (FHA), the Department of Veterans' Administration (VA), Rural Development (RD), or conventionally through a private mortgage insurance provider. The program has a first time homebuyer requirement in much of the state although there are 39 targeted counties and 13 counties with targeted census tracts where the first-time homebuyer requirement is waived. The first time homebuyer requirement is also waived for eligible veterans. Homebuyers may also qualify for downpayment and/or closing cost assistance through the Keystone Advantage Assistance Loan.

Keystone Government Loan (K-Gov)—The Keystone Government Loan Program provides first mortgage financing on loans insured by the Federal Housing Administration (FHA), guaranteed by Rural Development (RD), or the Department of Veterans' Affairs (VA). Homebuyer eligibility is determined by using the guidelines of the respective federal agency insuring or guaranteeing the loan. There are no income or purchase price limits specific to PHFA, there are no first-time homebuyer requirements, and there is less paperwork to be signed at or before closing.

Assistance Loan for downpayment/closing cost assistance. Due to the source of funds, an MCC cannot be used in conjunction with the Keystone Home Loan program. The tax credit is available for the 30 year life of the loan and only expires if the home is sold or the homeowner fails to occupy the home as their principal residence.

Keystone Advantage Assistance Loan Program (KAAL) – The Keystone Advantage Assistance Loan Program provides a second mortgage loan to help with the costs associated with the purchase of a home. Qualified borrowers can receive up to 4 percent of the purchase price or market value of the home, up to a maximum of \$6,000. The assistance loan is interest free and is repaid monthly over a 10-year term. The Keystone Advantage Assistance Loan can be used to cover the downpayment or closing costs in conjunction with the HFA Preferred Risk Sharing™, HFA Preferred™, Keystone Home Loan (FHA, VA or RD loan types only), or Keystone Government Loan programs. It may also be combined with the Mortgage Credit Certificate (“MCC”) program.

MULTIFAMILY RENTAL HOUSING PROGRAMS

Low Income Housing Tax Credit Program—Provides owners of and investors in affordable rental housing developments with tax credits that offer a dollar-for-dollar reduction in their tax liability (the credit may be taken for up to ten years). Provides federal tax incentives for the development and preservation of affordable multifamily housing for families of lower income, senior citizens, handicapped individuals and homeless persons.

Contact—PHFA’s Development Division at (717) 780-3876 or Tax Credit Program Department at (717) 780-3948 or www.phfa.org

MAP Lending—Funding for the construction, acquisition and rehabilitation of affordable rental housing is available through HUD-FHA mortgage insurance products utilizing HUD’s Multifamily Accelerated Processing (MAP). The most commonly used MAP programs are Section 223(f) and Section 221(d)(4). FHA’s commitment of mortgage insurance allows the agency to access mortgage backed security (“MBS”) guaranteed by the Government National Mortgage Association (“Ginnie Mae”). Interest rates for a Ginnie Mae guaranteed MBS are extremely competitive.

Contact—PHFA’s Development Division at (717) 780-3876 or www.phfa.org

PennHOMES Program—Program offers interest-free, deferred payment loans to support the development of rental housing for residents who meet income guidelines. The loans can be structured as primary or secondary mortgage loans. The source of the funds for the program include agency reserves and federal HOME dollars provided as a subrecipient to the Department of Community and Economic Development.

Contact—PHFA’s Development Division at (717) 780-3876 or www.phfa.org

Taxable and Tax Exempt Bond Financing—Program provides financing at competitive rates to developers building, rehabilitating or preserving rental housing developments. Funding is made available through the sale of agency tax-exempt and taxable bonds. Bond financing may be coupled with the Tax Credit and PennHOMES programs.

Contact—PHFA’s Development Division at (717) 780-3876 or www.phfa.org

OTHER PROGRAMS

Housing Counseling—Provides pre-purchase, credit and budget; debt and delinquency; and, foreclosure mitigation counseling and education generally at no cost to consumers (the cost of a credit report may be charged for a nominal fee in credit and budget counseling). PROGRAM

DEADLINE / REGULATIONS

PENNVEST LOANS, LOAN GUARANTEES AND GRANTS

PENNVEST provides low-interest loans, loan guarantees, and grants for new construction or for improvements to publicly or privately owned drinking water, sewer treatment and non-point source facilities. This includes loan funding to individual homeowners for repair or replacement of their malfunction on-lot septic system. Many of the wastewater, drinking water and non-point source pollution prevention projects funded by PENNVEST use federal dollars for design and construction. These dollars come with some strings attached that may increase the cost of the project for the community. PENNVEST conducts a financial analysis to determine the interest rates and the length of the repayment period on any loan, as well as whether any grant funding might be awarded for the project.

The PENNVEST Board adopts a quarterly meeting schedule that is posted on their Website. All projects must have a planning consultation prior to submittal of the web-based application. Educational seminars (held in the spring) explain about how to apply for funds on-line. Any municipality, authority or private entity that is eligible under the PENNVEST program Contact—PENNVEST Executive Director Paul Marchetti (717) 783-4496 or contact PA Infrastructure Investment Authority at (717) 787-8137 or visit www.pennvest.pa.gov

PENNSYLVANIA LIQUOR CONTROL BOARD

www.lcb.state.pa.us

PROGRAM

In 1999, the Pennsylvania Liquor Control Board (PLCB) offered its first Grant Program to provide funds for colleges and universities to develop campus-community coalitions. In 2001, the PLCB expanded its efforts and provided additional funding to eligible local community groups, organizations, municipalities, law enforcement departments, primary and secondary schools and school districts throughout Pennsylvania for specially designated projects to prevent underage drinking and irresponsible consumption. In 2013, the PLCB modified the Alcohol Education Grant Program by making it a two-year grant to give grantees the time to better plan and implement their program. The next grant cycle will be 2015-2017.

For the **PLCB's Grant to Reduce Underage and Dangerous Drinking**, grant projects should be evidence-based and directly related to alcohol issues that target the under-21 population. The project should entail an environmental strategy that addresses the illegal consumption of alcohol by minors and excessive consumption by those 21 and older.

- College Alcohol Risk Assessment activities
- Online alcohol assessment programs
- CORE survey administration
- Source Investigation Projects
- Law enforcement patrols, including bike patrols, for monitoring community and/or college campus parties
- Special underage law enforcement operations
- Curriculum infusion
- MADD's Power of Parents© program
- Strengthening Families Program
- Trainings related to campus or community readiness for environmental management strategies and procedures
- Other proven, data-driven, evidence-based programs

DEADLINE / REGULATIONS

Grant applications and deadlines will be posted on the PLCB's website www.lcb.state.pa.us (Click on the tab labeled "Alcohol Education"). Applications for a two-year grant will be available on a biennial basis in odd-numbered years (i.e. 2015-2017; 2017-2019; etc.).

Only one grant per organization, school, community organization, municipality or institution of higher education will be awarded. Multiple requests from an agency will not be considered. Coordination between departments is strongly encouraged. However, there is no limit on the number of applicants for a city or region, as long as they are discrete entities. Applicants from the same region or municipality are strongly encouraged to coordinate their efforts.

The grants are funded for up to \$20,000 per year for a maximum award of \$40,000 for the two year cycle. The grant period runs from the effective date through June 30, of the second year. The PLCB's Bureau of Alcohol Education will notify the grantee of the official start date after all legal requirements have been met.

Because the grant is reimbursable, grantees will only be paid for services after they have been rendered, on a quarterly basis. In addition, the PLCB requires a minimum 25 percent match from grantees in order to promote grant program sustainability. (i.e. A \$20,000 per year grant requires an entity to match the grant funds with at least \$5,000 each year.)

All information is current at the time of printing and may be subject to change. For more information about these grants, please contact the Pennsylvania Liquor Control Board's Bureau of Alcohol Education at 717-772-1432 or RA-LBAEgrant@pa.gov

PROGRAM

DEADLINE / REGULATIONS

The Pennsylvania Public Utility Commission balances the needs of consumers and utilities to ensure safe and reliable utility service at reasonable rates; protects the public interest; educates consumers to make independent and informed utility choices; furthers economic development; and fosters new technologies and competitive markets in an environmentally sound manner.

The PUC offers an online Electric Supply Shopping tool for consumers through **PAPowerSwitch.com**. PAPowerSwitch allows consumers to enter their zip code and see the competitive offers and prices available in their area. Other features include: a Spanish language companion site for PAPowerSwitch; consumer alert emails to customers who plugged their zip codes and contact information into the site to receive weekly updates on suppliers and prices available in them; a printable version of the zip-code-searchable supplier list is available and in larger print for seniors; “PAPowerSwitch” brochures and way to save energy are available on the website and upon request.

PAPowerSwitch is just one of the educational tools. Brochures, speaking engagements, roundtable discussions and conferences are other ways used successfully to help consumers shop wisely for utility services. To find more information on upcoming events, check out the Consumer Education Events Schedule on the web at www.puc.pa.gov/general/consumer_ed/consumer_ed_events.aspx.

Consumer Education Partnerships—The PUC partners with various companies and organizations to bring programs to consumers. Past partnerships have included the utility companies, state agencies, AARP Chapters, Area Agencies on Aging, community-based organizations, legislators, consortiums, health care agencies, schools, religious-based organizations and the Consumer Advocate.

For more information or to schedule an educational workshop, seminar, staff training or any other consumer education event, please contact our Consumer Education Specialists. Contact – Christina Chase-Pettis at 717-772-8884, Robin Tilley at 717-787-4970 or David Hixson at 717-772-2766

For informal complaints or termination issues, please contact the PUC’s Bureau of Consumer Services (BCS) toll-free hotline at 1-800-692-7380.

ENERGY ASSISTANCE PROGRAMS

Budget Billing—All residential customers may contact their electric or natural gas company and request budget billing at any time. Each monthly bill will be the same amount. The company may adjust the bill four times a year, up or down, depending on the customer’s usage.

Customer Assistance Program (CAP)—CAPs can lower your monthly utility bill. CAPs may also remove the amount you already owe. Each company has a CAP and works with the customer to determine what the customer can pay versus the cost of energy used.

Customer Assistance Referral and Evaluation Program (CARES)—The CARES program helps customers with special needs. CARES may help you find ways to pay your utility bill. For example, special needs are customers who are experiencing family emergencies, divorce, unemployment or medical emergencies. The goal is to provide support and direction to help customers pay their utility bills.

PROGRAM

DEADLINE / REGULATIONS

Hardship Funds—Utility companies have hardship funds that provide cash assistance to utility customers to help them pay their utility bills. Hardship funds provide assistance grants to customers who “fall through the cracks” of other financial assistance programs, or to those who still have a critical need for assistance after the other resources have been exhausted. The funds make payments directly to companies on behalf of eligible customers.

Low-Income Usage Reduction Program (LIURP)—LIURP helps low-income residential customers lower the amount of electricity or natural gas used each month. Typically, the company may install energy saving features in your home to help reduce bills. For example, smaller bills means your payment covers a greater portion of the bill or perhaps covers the whole bill.

Assistance Qualifications—Customers must meet certain income limits and be payment-troubled to qualify for CAP, CARES, LIURP and Hardship Funds. Payment-troubled usually means customers have made a payment agreement with the company. The chart below shows the income levels at 150 percent of the Federal Poverty Guidelines customers must meet in 2014 for CAP. The income levels are slightly higher for LIURP, CARES and Hardship Funds. Customers who meet these limits, should call their local electric or natural gas company for details to see if you qualify. Each company’s toll-free number is listed below.

Household Size Monthly Income Guidelines:

Size of Household	150 percent of Poverty	Size of Household	150 percent of Poverty
• 1 person	\$1,459	6 persons	\$3,996
• 2 persons	\$1,966	7 persons	\$4,504
• 3 persons	\$2,474	8 persons	\$5,011
• 4 persons	\$2,981	For each additional person, add \$508	
• 5 persons	\$3,489		

Low-Income Home Energy Assistance Program (LIHEAP)—LIHEAP is a federal program that provides financial assistance to low-income households to pay energy bills. In Pennsylvania LIHEAP is administered by the PA Department of Human Services (DHS) and consists of three components:

- **Cash Benefits:** Helps low-income customers pay their home energy bill.
- **Crisis:** Helps low-income customers meet home emergency situations and restore services if their service has been shut off.
- **Weatherization:** Helps qualified low-income customers reduce their energy consumption through home improvements.

NOTE: Low-income customers who qualify for Cash and Crisis can receive both. Your household income must be within certain limits to qualify. These limits are listed on DHS’s Website at <http://www.dhs.state.pa.us/foradults/heatingassistanceliheap/>

If you have more questions about LIHEAP you may call your Local County Assistance Office or the toll-free LIHEAP hotline at: 1 (866) 857-7095 (individuals with hearing impairments may call the TDD number at: 1 (800) 451-5886).

UNIVERSITY CITY SCIENCE CENTER

www.sciencecenter.org

PROGRAM

The **University City Science Center** accelerates technology commercialization, regional economic development and the market availability of life-enhancing scientific breakthroughs by bringing together innovations, scientists, entrepreneurs, funding, laboratory facilities and business services. Established in 1963 and headquartered in Philadelphia, the Science Center was the first, and remains the largest, urban research park in the United States. Its shareholders include 32 universities, research institutions, hospitals and economic development organizations in Pennsylvania, New Jersey and Delaware. Key Science Center programs include the QED Proof-of-Concept Funding Program; Quorum, a program that strengthens the Greater Philadelphia's culture of technology commercialization by creating a forum for entrepreneurs and innovators to interact and exchange ideas; and the Port, a business incubator for life science and advanced technology new ventures. Graduate organizations and current residents of the Science Center have created more than 15,000 direct jobs that remain in the Greater Philadelphia region today and contribute more than \$9 billion to the regional economy annually.
